A Ministry of the Word of Life Baptist Church

Dear Parents

Application Process and Evaluation Assessment – Grade 4 – 11

Parents, who voluntarily bring their child to be evaluated, are required to respect the decision of the school, regarding the standard of school entrance, set by the assessment. Assessment of a child by the Word of Life School in no way guarantees that a child will be accepted by the school. As a Christian school, which follows the Independent Examinations Board Curriculum, it is important that parents realise that Word of Life's Admission Policy differs from other private schools.

Special needs:

Although our classes are small, Word of Life School is not a school which can cater for learners with specific learning needs. Our teachers are not trained remedial teachers and therefore our school is unable to accept learners who have learning disabilities or difficulties.

Reports regarding Assessment:

Word of Life School is under no obligation to disclose any information regarding the evaluation. Regrettably the School will not provide any written report or oral feedback for any child whose application has been declined. However, we will not withhold information that is vital to a child's development. We ask that parents accept our decision as we guarantee that we do give the child the benefit of doubt, and if we decide that a child will not cope at our school, we have considered all the relevant aspects.

Religious consideration:

According to the Admission Policy (Chapter 6) in the School's Constitution, all learners without exception are expected to adhere to and fully comply with the School's Christian ethos and practices. Learners will not be allowed to leave school within the normal school hours to attend other religious practices.

When we consider a Grade 4 – 8 learner's application we administer the following process:

Grade 4 – 8 learners are expected to do a written assessment for Mathematics and a written assessment for English and Afrikaans.

1. Once these assessments have been finalised the relevant teachers, the HOD and Principal will discuss the outcome and recommendations made by the teachers.
2. This team will also review all relevant documentation (e.g. OT, ST or Scholastic assessments).
3. We also reserve the right to contact the Principal/teacher at learner's current school.
4. Our decision will be based on all the available information.
5. Parents will also be interviewed by the Principal and the Administrator.
- 6. Unsuccessful applicants will be contacted by email or telephone**

Yours faithfully

Mrs Ann Vicente
Principal
